Dear Ms. Pryor,

Alameda County Department of Environmental Health (ACDEH) is contacting you to request a meeting to discuss the 2014 groundwater transport model, sensitivity analysis, and the assumptions used for data input that were presented in the report entitled, "Updated Well Survey and Groundwater Modeling Report," dated March 4, 2014, which was submitted on the behalf of Shell Oil Products US by Conestoga-Rovers and Associates. Please contact me at your earlier convenience so we can schedule the meeting. We will be sending you an agenda later this week. Thank you.
