Subject: Meeting Request for Site Cleanup Program Case No. RO002762; (Global ID # T06019705095);
Concrete Wall Sawing Company, 2501 Grant Avenue, San Lorenzo, CA 94580

Dear Responsible Party:

I would like to take this opportunity to introduce myself as the case worker for the subject Site Cleanup Program (SCP) case. I have reviewed Alameda County Department of Environmental Health's (ACDEH) case file and the State Water Resources Control Board's (SWRCBs) GeoTracker website for the above-referenced site. At this time, ACDEH is requesting a meeting at our offices in Alameda to discuss the status of the case and steps necessary to move this case towards closure.

A review of your case file indicates this case has been inactive and that a Notice to Comply letter, dated July 24, 2009, was issued requesting you regain compliance by claiming your site, uploading all analytical data and associated PDF reports from July 1, 2005 to current, to the GeoTracker website by August 10, 2009. The required documents and environmental site data have not been uploaded or otherwise received by ACDEH or GeoTracker.

In order to understand the current status of the site so that we may move the case towards closure, ACDEH requests a meeting with you and your environmental consultant. ACDEH is available to meet on the following dates and times:

- Thursday, June 14, 2018 at 1:00pm
- Thursday, June 21, 2018 at 1:00pm
- Thursday, June 28, 2018 at 1:00pm
- Friday, June 29, 2018 at 1:00pm

Please select a date and time from above that is convenient for you and contact me at andrew.york@acgov.org or at 510-639-1276 to confirm our meeting. If you are unavailable during one of the above-listed dates and times, please propose a different date and time that is convenient for you and ACDEH will try to accommodate your request.

If your email address is different or does not appear on this notification, ACDEH requests you provide a revised email and/or different point of contact so that we can correspond quickly and efficiently regarding this case.

Thank you for your cooperation. ACDEH looks forward to working with you and your environmental consultants to advance the case toward closure. If you have any questions, please call me at the phone number or email address indicated above.

Sincerely,

Drew J. York
Senior Hazardous Materials Specialist
