Attachments: RO#0002764_GW Quality Assessment_2016-02-12.pdf

Hi Mark,

I have attached an electronic version of Aquifer Sciences' report describing the results of the recent groundwater quality assessment at 223 E. 14th Street, San Leandro. The assessment included sampling and analysis of the four monitoring wells located on site. Please review the report, and let us know if you would like to discuss it.
