Dear mr detterman:

I received your letter dated august 23.

I cannot pay for the investigation/ work plan, due October 20 2017 please contact me reed (responsible party).

I am applying for grant funding under the site cleanup sub account program (SCAP).

In conformance with your letter, I am getting estimates for the HVAC modification you requested(I will call you by September 5) for update.

I am working on getting a notice prepared as you requested by September 5
