

Don

10/13/92 4:45

I got a call from Don

Schoenholz of the Port

272-1184

who informed me that

while excavating at

Carnation on Terminal St.

for some construction the
company encountered some diesel

contam. He said it seemed
pretty smelly. The PID showed

a problem. Samples were taken
by the Port, they will be run

48 hr turn around
