Comments.

It says Double wall still in Pg 2  
of application of single wall in  
Form B

Why No A Form -

12/20/93 - Talked to Blanco. She said  
that Brean has A form already.

I told her that I have some  
technical questions. I left message  
for Robert (Bob).

Q 1 - Single wall piping - how  
are you going to do leak monitoring

- How does oil-water separator  
work?
