RE: 3/7/00 meeting of the Sherwin-Williams Site Consultative Work Group

The next meeting of the Consultative Work Group for the Sherwin-Williams Site will be held Tuesday, March 7, 2000 from 9:00 a.m. to 11:30. (A few meeting participants have to leave by 11:30, thus the early end time. Please try to arrive on time since our time will be limited.) The meeting will be held at the Sherwin-Williams plant in Emeryville, in the conference room where the group usually meets. The focus of the meeting will be DHS' dust sampling program.

If you have questions, please feel free to contact me at (510) 653-7848. Thanks.
