Russell,

I'm sending this email to provide you another link to the state Geotracker database so that you can claim the site in Geotracker (in addition to the one mentioned in the letter (Notice to Comply). You can also go to - http://www.swrcb.ca.gov/ust/electronic_submittal/index.shtml and open the "Beginner's Guide" under "Getting Started", or just call the toll free number in the upper right corner and the Help Desk can walk you through the process. Since I've not claimed a site, I don't really know how it's done; so the Help Desk would be your best bet.

In regards to the county database, see the link below. There are PDF copies of available reports for all sites including yours that can be downloaded. Likely you'll need to temporarily allow pop ups. Don't use the map that will eventually appear. Use the "search" tab at the top of the blue column on the right, then use the following drop down menus: "LOP Document Search" and "Record ID - RO Number". Then type in the last significant digits of your RO (case number; which is 2833 in your case; it's on the letter). Most likely a number of cases will pop up, but select yours to see what we have available.

Good to talk to you; and best of luck!
