DATE: August 18, 1993  
TO: Ravi  
FROM:  Edgar Howell, Chief, HazMat Division  
SUBJECT: monday meeting re verdese carter park with Dir.

---

Please see me as to what we should present to Mr. Kears for his presentation on thur. evening.

Recommend we have the following:

1. Risk of materials found if exposure was found.
2. Risk as to where materials were found.
3. What could have been the potential risk to residents and children.
4. Future risk if materials are removed and clean soil replaced.
