Good morning Steven. I hope your holidays are going well.

Pursuant to your letter of 18 December 2007 to Mr. Bruce Burrows and Mr. Gabriel Chiu, ERM-West, Inc. (ERM) presents for your review the subject Draft Fact Sheet. We present the document in both Word and .pdf formats so that you can edit/revise as you consider necessary. Please don't hesitate to contact me if you need further support on this. Whereas we understand you granted an extension for this, as well as other requested items in your 18 December letter, until 18 January 2008, the Draft Fact Sheet was near completion anyway and we thought it appropriate to forward it to you by the original deadline of today.

As you are aware from Mr. Burrows' letter of 21 December, ERM will now be providing consulting services to him and Mr. Jim Roessler of Roessler Investments. It is my understanding that a meeting with DTSC and ACHCSA, among others, has been scheduled for 10 January 2008 here in ERM's Walnut Creek offices, pending availability of all interested parties. I look forward to meeting you, and working with you towards successful resolution of site issues.

As you deem necessary, please include ERM on any letter or electronic communications regarding the subject site so that we can remain abreast of current developments.

Thanks Steven; Happy New Year.

Mike
