Adrian Angel of AEI Consultants 925-283-6000 ext. 132 called at 12:53 pm on 1/26/2006 to ask if blanks or dups were needed for soil gas survey. I called back on 1/26/2006 at 2:50 pm and indicated we deferred to DTSC/LA RWQCB guidance so one blank and one dup would be needed. He is adding to program.

Just listing site, finance notified me yesterday re: depositing check, tech is completing listing & then I can assign to CW.
Told him I informed Bruce I would not be working on case until get into system & receive reports, otherwise just debiting account on items other than actual work. We need to list case & set up accounts before assigned & worked on.
We requested copies of all reports, have not received, he will send.
Best to discuss case with CW once it is assigned & he can review reports.
