Jerry:

Per our discussion, we are requesting an extension for the submittal of the Off-site Sampling Results Report. The Bay Area Rapid Transit (BART) approved the "Permit to Enter" agreement ("Permit") to access the MacArthur Station parking lot on July 14, 2009 and is forwarding the Permit to our office for execution. We have scheduled the drilling for the week of August 3, 2009. Therefore, we are requesting an extension for the submittal of the Off-site Sampling Results Report to September 30, 2009.

Please call me at 415/460-6770, extension 206, if you have any questions.

Sincerely,

Peter Morris
