**Subject:** Wickland.Oakland Offsite Sampling Report Extension Request - 3875 Telegraph Avenue

Jerry:

We completed the offsite sampling investigation in the MacArthur BART Station parking lot in mid-August and are currently working on the offsite sampling results report for the 3875 Telegraph Avenue property in Oakland, California. In addition, we are preparing responses to Alameda County Environmental Health's July 10, 2008 comments. However, we would like to request an extension until October 30, 2009 to submit the report and the responses. Please call me at 415/460-6770, extension 206, if you have any questions.
