Received a voice mail and two emails on Friday September 9, 2011 from Alexis Gevorgian who is interested in purchasing the Roberts Tire site and has been working on issue for approx 4 years. Call him back this AM at approximately 9:40. Alex Hahn is not doing well financially, and Alexis has agreement to cleanup site (for residential redevelopment) and then charge Mr. Hahn. Mr. Gevorgian reports that at least one UST is in Cal-Trans ROW. Provides phone number for Don Flaner who is a contractor for them and knows more and can provide that information. ACEH is not currently aware that a UST is in Cal-Trans ROW. He is concerned that a fine may be incurred. Let him know that without further action one there is that possibility; however, with action, it would be unlikely.

Call Mr. Flaner at 10 am and leave a voice mail.
