Subject: SLIC Case RO0002879, D Merlino and Sons, 968 81<sup>st</sup> Avenue, Oakland, CA

Dear Richard and Enrico Merlino:

A Spills, Leaks, Investigations, and Cleanup (SLIC) case is currently open for the above-referenced site. In order for Alameda County Environmental Health (ACEH) to review reports for this case, we require an oversight account. To set up an oversight account, please send a check made payable to Alameda County Environmental Health in the amount of \$6,000. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$166.00 per hour.

Please write "SLIC" (the type of project), the site address, and the AR#316389 on your check.

If you have any questions, please contact Jerry Wickham at (510) 567-6791.

Sincerely,

Arja Levi  
Division Chief
