Subject: Request for Regulatory Oversight Funds for SLIC Case No. RO0002892 and GeoTracker Global ID SL0600100443, Chevron Sunol Pipeline, 2793 Calaveras Road, Sunol, CA 94586

Dear Mr. Gwin:

Our records indicate that the current balance on the above-referenced SLIC oversight account is negative \$25.90. This case is currently in the case closure process. In order to complete regulatory oversight of the case closure process, we anticipate that additional funds will be required. Therefore, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$3,000.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, an additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

This deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour.

Please write "SLIC" (the type of project), the site address, and #AR0314746 on your check.

If you have any questions, please contact Jerry Wickham at (510) 567-6791.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297  
Senior Hazardous Materials Specialist
