Joe,

We originally requested additional funds on December 22, 2014 and then more recently on February 11, 2015. Some closure tasks including preparation of a closure summary have been deferred due to a lack of funds. Given the remaining tasks, the requested additional deposit appears reasonable to complete the closure process.

Jerry, we received your notice for oversight fees for the Sunol Site. Since we are at the very end of the closure process, I wondered if CPL can pay a more modest amount ahead on the fees. Can you advise on the policy on this issue? Thanks, Joe.
