Andrew,

I will not be on site for well destruction. The permitting for well destruction is through the Zone 7 Water Agency.

Good morning Mr. Wickham,

I am contacting you in regards to the upcoming well abandonment work at the Springtown Gas site located at 909 Bluebell Drive in Livermore, CA. I would like to schedule the work with the driller but wanted check with you on your availability over the next 2 weeks. It is looking like the work will take 1 to 2 days. I was thinking of scheduling it for May 22, 23 and/or 24. Would these dates work with you?

Thank you,

*Andrew Dorn*
