Mike,

The schedule for compliance with Geotracker requirements on case RO2896, as requested in ACEH correspondence dated July 28, 2009 is extended to September 14, 2009.

Regards,

Jerry Wickham

Jerry:

I received your July 28 2009 letter regarding data input for this site this last Friday at 5:11 PM.

If possible, could we have an extension on this issue.

We believe we will fund site cleanup operations and construction in the next 60 days.

I will give you a call this Monday, August 17, to discuss this project.
