Dear Mr. Zimsky:

Alameda County Environmental Health (ACEH) has been providing regulatory oversight of the above-referenced site under the Site Cleanup Program (SCP) since August 2004 due to the presence of soil contamination on the property. The SCP regulates and oversees site investigation and cleanup from unauthorized releases of non-petroleum hazardous substances.

Your regulatory oversight deposit refund account has an unpaid account balance is \$5,568.00. In order for ACEH to continue the regulatory review and closure process, we require an additional deposit to your oversight account to cover the unpaid balance and future oversight costs. Please send a check in the amount of \$9,000.00 payable to Alameda County Environmental Health. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour.

Please write "SCP" (the type of project), the site address, and the AR# 0315291 on your check.

If you have any questions, please contact Dilan Roe at (510) 567-6767.

Sincerely,

Ariu Levi
Director
