Subject: Postponement of Workplan, 700 Independent Road, Oakland

Hi Jerry:

As we discussed earlier today, Equity Office Properties (EOP) who owns the property at 700 Independent Road in Oakland requests an extension for submission of a work plan for further site investigation at the subject site. The ACHCSA case number for the site is RO0002900. We request that the work plan previously scheduled to be submitted August 15 (per your letter to Peter McGing on June 13, 2007) now be submitted on or before October 1, 2007. The request is made due to changes in EOP's corporate staff due to change in ownership of the company and the need to consult with an insurance carrier.

We appreciate your approval of this change in submission date. Please contact us if you have any questions or concerns.

Thank you
