Subject: Request for Regulatory Oversight Funds for SLIC Case RO0002902 and GeoTracker Global ID T0600133151, Lucasey Manufacturing, 2744 East 11th Street, Oakland, CA 94601

Dear Mr. Lucasey:

Our records indicate that the current balance on the above-referenced SLIC oversight account is a negative \$850.00. This case is currently in the closure process. In order to offset the negative account balance and complete the additional tasks required by the closure process, we are requesting the submittal of a check made payable to Alameda County Environmental Health in the amount of \$1,500.00. Please send your check to the attention of our Finance Department.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. Any unused monies will be refunded to you or your designee.

This deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$204.00 per hour. Please write "SLIC" (the type of project), the site address, and #AR0315763 on your check.

If you have any questions, please contact Jerry Wickham at (510) 567-6791.

Sincerely,

Jerry Wickham, California PG 3766, CEG 1177, and CHG 297
