Hernan & Jessie,

I'm not sure whose area this is but can you send me copies of info regarding the Haz Mat violations, chemicals used, owner identity, etc., from the CUPA file for this site. The RP sent me the report & requested review, I made it a case after discussing with LeRoy. The additional info from your files will help us identify the source of contamination & proceed with the case. Please also send over a case transfer form with the CUPA info. Thank You!! Donna

Hi Leroy,

I have a Phase 2 report for 5105 E 8th St., indicating metals & high Lead present in soil, (only shallow soil investigated). Report indicates site had numerous HazMat violations against it & was forced to shut down in 2000.

Do you want to transfer the case over as a SLIC? Please let me know & send over a case transfer form & pertinent info from the CUPA file that would be helpful to us in evaluating the source of pollution at the site.

Thanks, Donna

Dear Mr. Forman:

In order for Alameda County Environmental Health (ACEH) to review reports for your site, we would require an oversight account for the above-referenced site. To set up your account, please send a check in the amount of \$6,000.00 payable to Alameda County Environmental Health. Please send your check to the attention of our Finance Department.

This initial deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$166.00 per hour.

Please write "SLIC" (the type of project), the site address, and the AR#0315766 on your check.

If you have any questions, please contact Jerry Wickham at (510) 567-6791.

Sincerely,
