Hello Cheri,

The Interim Remedial Action Plan was submitted on January 14, 2016. It is now visible on GeoTracker. The document is 14 mb so I have not attached it.

I will be retiring from Alameda County Environmental Health effective January 22, 2016. Dilan Roe will take over as the case worker for this case. Therefore, please address future correspondence for this site to her. Hope the remainder of the case goes well.

Dilan can be reached at 510-567-6767 or [dilan.roe@acgov.org](mailto:dilan.roe@acgov.org).
