Charlotte,

I only had the body of the report and did not have appendices. If you have the appendices, please upload the entire report. Otherwise, you should request that the City of Livermore upload the document.

Jerry,

I was looking at the due dates on the letter sent out 02/20/07 and saw that you wanted the Furgo report from January 6, 2004 entitled "Soil and Groundwater Investigation, Regional Performing Arts Theater Site, Livermore, CA," uploaded to ACEH. You gave Satya and I a copy of that report at our meeting on 02/22/07. Do you still need me to upload the report?

Thanks.
