Good Afternoon Kathy,

Dilan and I were able to review the Remedial Action Plans (RAPs) for both cases (RO2908 and RO3255) and we are in concurrence that they both look good. Please proceed with drafting one Fact Sheet (that includes both cases) for public participation. Once you have finished drafting the Fact Sheet, please email (Dilan and I) the draft for ACDEH review and approval. I will upload this correspondence email with ACDEH approval to proceed with the Fact Sheet to Geotracker.

Thanks,  
Drew

Drew and Dilan,

Please find attached the Remedial Action Plan for the LUST Cleanup Site RO2908 for your review. I have reduced the size for emailing purposes. Arcadis does not currently have access granted to the cases on Geotracker. We are working to address this issue.

Please let us know if you have any comments or have trouble with this transmission.

Kathy
