Hello Kiersten,

Based upon your request, the schedule for submittal of the report referenced below for ACEH case RO2908 is extended to October 29, 2010.

Regards,
Jerry Wickham
Alameda County Environmental Health

Hi Jerry,

To follow up on my phone call and your voicemail message, CRA will submit the third quarter 2010 groundwater monitoring and sampling report by October 29, 2010. The reason for the extension is the site was sampled on September 13, 2010 and we just received the laboratory report.

Thank you,
Kiersten
