Jerry-

I would like to request a 6 week extension for the submittal of the Work Plan for Shallow Soil Sampling requested in your 7/17/2013 letter. Chevron and the City are still working out the details on how this will be carried out. Additionally, the City's original plan to have the renovation plan completed by late July has been delayed and is still not complete. I have been in contact with Debbie Salgado from the City and she is trying to get an updated schedule for me. I will follow this e-mail up with a phone call as well. Thanks,
