Jerry-

The City of Livermore still does not have an approved plan for the park renovations (and finished grade) as of today and does not have an updated ETA on when they will have an approved plan. I would like to request a 4 month extension to the work plan due date of January 15, 2015 (as requested in your attached letter) as a finish grade elevation is needed to determine lead delineation sample depths. Please give me a call if you have any questions or concerns.

Thank you,

Brian Silva
