Subject: Fuel Leak Case No. RO0002911 (Global ID # T0600100518), Encinal Marina Ltd., 2099 Grand Avenue, Alameda, CA 94501 – Case Transfer to San Francisco RWQCB

ACEH is transferring the oversight of the above referenced case to your agency. It appears that our case no. RO2911 is located within the footprint of RWQCB case no. 01S0668 currently overseen by Elizabeth Allen of your agency. Further, the former UST(s) areas of RO2911 appear to be located within areas currently proposed for remediation activities at 01S0668. We have confirmed with Ms. Allen that the two sites are within the same footprint, that the property is proposed to be redeveloped into a 3.2-acre single-family residential housing development and that the RWQCB is in contact with the developer regarding corrective actions for this site.

If you have any questions, please contact me at (510) 567-6721 or send me an electronic mail message at donna.drogos@acgov.org.

Sincerely,

Donna L. Drogos, P.E.
Supervising Hazardous Materials Specialist
