All,

We recently mailed a \$2,500 payment to ACEH. In addition, and since we completed all physical work on the property and all paperwork has been submitted to ACEH, is it possible to obtain closure now and prior to year end? I make this request as I feel we have all made great progress recently and I would like to capitalize on the positive momentum. I would appreciate any opportunity to obtain site closure and an NFA document as soon as possible.

Thank you all for your efforts and I wish you all happy holidays.

Respectfully,

Ravi Nandwana
