Hi Shawn:

I have reviewed the draft Interim Remedial Action Workplan and the Third Quarter 2012 Groundwater Monitoring Report in conjunction with the other documents in the case file. I would like to set up a meeting to discuss my comments - I would prefer for the meeting to be in person as my comments are quite lengthy, however if this is not possible then we will have to do it by phone. I am only in the office Monday, Tuesday and Wednesday this week so my schedule is quite busy – however I can make time today or in the afternoon on Tuesday and Wednesday. Please let me know your availability.

Regards,

**Dilan Roe, P.E.**
