Dennis Laduzinsky & Josh Otis, Northgate Env Management  
839-0688

Requested submittal of:  
signed & stamped UST removal & Phase 2 report  
(include smaller scale map to identify tank removal location & GW sample location. Maps provided in  
scale good for contours but not for sample collection location  
Phase 1  
Geotechnical report

He will post all reports to ftp site.

McKenzie Property, McKenzie's own UST & property  
June 29, 2006 escrow will close & there will be new owners  
How is Leona Investments involved? They signed URF, own UST??  
He will check info on RPs for me & get back to me

Unincorporated county  
City of Hayward to annex in future. City is issuing grading permits.  
I will followup with City re: potential transfer of case to them, we do not work on cases w/in City of Hayward.

Naturally occurring asbestos, have plan & cleared w/ARB  
2 water supply wells decommissioned

Property owner stated that 2nd UST found dumped in gully not theirs. They had one tank.

Water sample collected 2-3 feet from UST edge

Plan to overexcavate soil in UST area, PID screen, collect confirmation soil samples. Stockpiled soil will be profiled & plan  
to reused as fill onsite if can.  
Wants to start work in 2 weeks. Gave him verbal approval to perform work. He will submit an abbreviated work plan.
