RE: Former Mobil RAS #10MHG/160 14th Street, Oakland, California.

Dear Ms. Detterman:

I am in receipt of your letter dated June 26, 2015 pertaining to the subject site and requesting the responsible parties provide available times and dates for a meeting with the County in July or August. ExxonMobil would be happy to meet with you about this project; however, we would like to request more time to review documentation regarding Mobil's historical operations at the site and ExxonMobil's responsibility for the environmental conditions at this property. This letter confirms the verbal request to have more time to review the site files that Mr. Chappell with Cardno left on your voicemail on Wednesday July 16, 2015.

If you have any questions or comments, please contact me at 510.547.8196.

Sincerely,

Jennifer C. Sedlachek
Project Manager
