Hi all,

Please use this email as acceptance of a delay in site work due to the need to re-award the contract by the city. I have extended the due dates for the IRAP and the work plan until May 28, 2012.

Mark,

Nelson Lam from the City of San Leandro informed me that site remediation for 14901 E. 14th Street has been postponed until next March because the City needs to re-award the contract. Because of this delay we would like to request postponing the Interim Remedial Action Report, as well as all other site characterization activities until May 2012. The current schedule is below, and thank you in advance for considering our request.

- * December 31, 2011 - Interim Remedial Action Report
- * December 31, 2011 - Work Plan for Monitoring Well Installation Report
- * March 30, 2012 - 1st Quarter 2012 Groundwater Monitoring and Sampling Report
- * June 30, 2012 - 2nd Quarter 2012 Groundwater Monitoring and Sampling Report
- * September 30, 2012 - 3rd Quarter 2012 Groundwater Monitoring and Sampling Report
- * December 30, 2012 - 4th Quarter 2012 Groundwater Monitoring and Sampling Report

Best regards,

Kris M. Larson, P.G.
