Initial UST removal

Currently oil changing facility  
Was gas station by major, then independent

Some contamination present. Looked minor, city did not ask for work, case idle for some time.  
Addtl work performed, in realltion to acquiring? & found contamin extensive.

City wants property for street improvement  
Buy or imminent domain  
City attorney feels conflict if they work on case. Don't they work on cases that there are redeveloping? Yes, but emminent domain maked this different

Would help city if we take, RWQCB recd they ask us to take

What TAT are they expecting? Expedited? No standard case, not expecting
