Subject: RE: Shore Acres gas station

Hi Barbara, Jesse replied to an e-mail I sent him and indicated that samples were collected and results were submitted to the fire department. I will likely schedule a file review in the near future to review the results and relay the information on to the district. In the mean time I will recommend that the district requests proof of the property owners acceptance into the cleanup fund by way of a letter of commitment. Thanks for the help.

Cem,

I just heard back from Leroy Griffin that the tanks were removed under permit and with an inspector there. Jesse Kupers was there. I will try to contact him once he gets back from a week of training.

Regards,
