Dear Ms. Thompson,

As indicated in our correspondence dated August 20, 2014, Alameda County Environmental Health (ACEH) is considering the subject site for potential case closure. A List of Landowner form was provided as an attachment with the correspondence. ACEH requested the List of Landowner form be completed and returned to ACEH to satisfy a requirement as a step in the path to closure. It does not appear that ACEH has received the completed List of Landowner form.

To satisfy Section 25297.15 (a) of the California Health and Safety Code, please complete the attached List of Landowner form and return it to ACEH, either by mail or by email, to ACEH (attention Keith Nowell) by the date specified below. The closure process cannot proceed without the completed form.

Please submit reports to Alameda County Environmental Health (Attention: Keith Nowell), and upload technical reports to the ACEH ftp site (Attention: Keith Nowell), and to the State Water Resources Control Board's Geotracker website, in accordance with the following specified file naming convention and schedule:

- **November 14, 2014** – Return of *List of Landowner Form*

Should you have any questions, please contact me at (510) 567--6764 or send me an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org).

Sincerely,
