Lee,

Please advise as to when you would like to meet with Legacy and those who should participate in the meeting.

As I mentioned in our previous call, my last day at Legacy was June 3rd. However, I will continue to handle all matters regarding the Area of Concerns.

In regards to the distribution of correspondence, please continue to direct all correspondence to my attention via email to [bmetz@metzreconsulting.com](mailto:bmetz@metzreconsulting.com). However, all original letters should be mailed directly to the attention of Andy McDonald, 4000 East Third Avenue, Suite 600, Foster City, CA 94404. I have also included both Andy McDonald and my new email address in this reply.

Please contact me via email or at 925.364.0898 should you have any questions or would like to discuss in further detail.

Thank you

This morning I received confirmation from John Rigter that he concurs with Jerry Wickham to extend the deadline for receipt of the revised AOC 2&3 closure plan 60 days, or to July 28, 2011. Jerry and John, please confirm your approval with a return reply. Thank you.

**Subject:** Former Radum Site Revised Closure Plan Requirement

Jerry,

To follow up on our conversation today, I requested an extension to the May 28, 2011 deadline to submit a revised closure plan for the former Radum AOC 2&3 based on the ACEH technical comment letter dated April 12, 2011, and the LFPD letter dated April 7, 2011. The request was based on the need for further coordination with Legacy in preparing the plan. You stated that contingent on Mr. John Rigter's response, you would consider a 60 day extension. I've called and left a voice message with John requesting an extension as well, and am awaiting a return call. For your information.

Thank you.
