Hello Jerry,

Per our conversation on 11/28/07, this email is to document our request, on behalf of Hanson, of an extension for the submittal of the Site Assessment report presenting results of characterization investigations recently conducted at the former hot mix asphalt plant area, the southwest portion of the Hanson Radum facility at 3000 Busch Road, Pleasanton, CA. If you approve, we would like to submit the final report by Friday, December 21, 2007.

We appreciate your understanding. Please let me know if you have any questions or comments regarding this request.

Thank you, Katrin.
