Dear Paresh,

It was good to talk with you on Thursday regarding the status of the above site.

I would like to confirm our discussion wherein I explained to you that I am in litigation with the seller of the property, Maria Campos and do not expect to have it resolved before February 2009. As I am sure you can appreciate I have invested considerable funds in getting building approvals for the site so the delays, coupled with the economy, litigation etc has placed considerable financial burden upon me.

You confirmed to me that you will hold any additional enforcement steps until after the resolution next February and I appreciate that. I will keep you abreast of developments as they occur.

Sincerely,

Peter Robertson
