Hi Peter,

Sorry for my somewhat delayed response; partly it was to understand why the funding has been delayed. I had thought the funding was already complete, but that was my misconception of the process; that has been corrected by the Orphan Fund personnel. The four months you request seem a bit long, especially in light of the "budget resolution" one hears of in the news; however, I understand there are a few steps remaining in this lengthy process. Consequently please use this email as approval to extend the due dates you reference by 4 months.

Best,

Hi Mr. Detterman:

Based on the letter of approval of the revised workplan for the subject site, a "Miscellaneous Report - Preliminary data transmittal and selection of well locations" is due on September 24, 2010. Please see the except from the letter below

and the attached letter. Due to a delay in receiving funds and reimbursements from the Orphan Fund, we kindly request an extension of the below deadlines a total of four months.

“Please submit the following deliverables and technical reports to ACEH (Attention: Mark Detterman), according to the following schedule:

**August 27, 2010** – Addendum to Work Plan, if needed (Item D above)

**September 24, 2010** – Miscellaneous Report - Preliminary data transmittal and selection of well locations

**October 29, 2010** – Subsurface Investigation and Quarterly Groundwater Monitoring Report

**January 30, 2010** – Second Groundwater Monitoring and Sampling Report”

Thank you for your understanding.

Respectfully yours,
