Subject: Hanson's Facility AOC 2 and 3 Closure Plan

John and Jerry,

Legacy and Hanson are aware of the deadline to deliver the Revised Hanson Facility Closure Plan for AOC 2 & 3 by August 29, 2011. However, due to my transfer from inside to outside consultant, summer vacations, as well as an extended vacation taken by Legacy's counsel, it has been difficult to coordinate a meeting between all parties concerned. As you know, both parties will need to meet to discuss the various split of responsibilities for each of the AOC comments addressed in the April 2011 letters from the County and LPFD. We do apologize and both Legacy and Hanson are working to coordinate a meeting within the next two weeks. I will report back to the County and LPFD with the scheduled meeting date as soon as possible. In addition, Legacy and Hanson will provide the County and LPFD an update on our progress as well as a more detailed schedule after both parties have met.

Thank you,
Bridget

Jerry and Lee,

I have spoken to the City Attorney, and this works for us. The due date will be pushed out to August 29, 2011.

Thank you,

John,

I am ok with this. I spoke with Lee Cover and he and Legacy are still having issues. The Draft Plan is apparently under review by Legacy.

Jerry and John,

We are in the process of finalizing the draft AOC 2 and 3 Closure Plan with Legacy's input. I am respectfully requesting a further extension to Aug. 29 to finalize and submit the plan. Thank you.
