Subject: RE: Document Upload to GeoTracker

Thanks Rose Marie.

Jerry and John – Haley Aldrich is working on the revised Work Plan and will have it to me for review before Thanksgiving. We will then finalize it and send it to you both for review.

Subject: Document Upload to GeoTracker

Per your request, the documents regarding the Hanson Aggregates Legacy Radum Facility (RO#0002952) have been uploaded to GeoTracker, under Global Facility ID# SL0600101555. Voytek Bajsarowicz is available at 925.949.1015 if you have any questions.
