Phone call with Charlie Rome of ENV. Question regarding need for further investigation in AOC 4, 5, 6, 7, and 9. Charlie Rome indicated that we did not request additional work in these AOCs and asked if we would send a letter stating no further action at this time. We would need to go through same process as case closure review. If his client wants this for specific AOCs, I advised him to have client formally request this review for AOCs or ask to have AOCs reviewed as separate case. I advised him that I have a long list of cases ahead of his that require some attention.
