Alameda County Environmental Health  
Mr. Steven Plunkett  
1131 Harbor Bay Parkway, Suite 250  
Alameda, CA 94502

Dear Mr. Plunkett:

**NOTIFICATION OF RECEIPT OF ORPHAN SITE CLEANUP FUND APPLICATION,  
FOR SITE ADDRESS: 5901 MacArthur Blvd, Oakland  
FILE NUMBER: B112**

The State Water Resources Control Board (State Water Board) Division of Financial Assistance has received an application for the Orphan Site Cleanup Fund (OSCF) from Hayward area Recreation and Park for 5901 MacArthur Blvd, Oakland. This application has been assigned file number B112. Please provide this number when making any inquiries regarding this application.

Alameda County Environmental Health has been identified by the applicant as the Lead Regulatory Agency to oversee the cleanup of contaminated soil and groundwater from leaking petroleum underground storage tanks at the subject site. As the identified Lead Regulatory Agency, you will receive copies of correspondence sent to the applicant from the OSCF Program.

During our review process, OSCF Program staff will contact you either by telephone or by e-mail to verify applicant information. Once the application review is complete, the applicant will receive either an acceptance or rejection letter.

The OSCF program was created to encourage the cleanup of "brownfield" petroleum underground storage tank contaminated sites where there is no financially responsible party. These sites represent a special problem because they prevent and delay community redevelopment.

The OSCF has received federal stimulus money through the American Recovery & Reinvestment Act (ARRA), Leaking Underground Storage Tank (UST) Trust Fund. The ARRA money will be sub awarded into OSCF grants where an applicant is prepared to move forward with cleanup activities. Due to the limited time that the ARRA money will be available, the State Water Board will encourage expeditious site assessment and cleanup of approved OSCF projects. Your assistance is requested to help move OSCF

Alameda County

funded projects forward toward site cleanup. OSCF Program staff looks forward to working with you on the above project.

If you have questions, please contact me at (916) 327-7846.

Sincerely,

Pearl Cross  
Orphan Site Cleanup Fund
