Thanks Paresh-

I'll let Mr. Linford know it's in process and looking positive.

Hello Steve,

The case closure process is underway. I have prepared a case closure summary a few weeks ago and is currently in supervisory review. I anticipate a response back within a couple of weeks.

Please don't hesitate to contact me should you have any questions or concerns regarding this email.

Paresh-

I am checking in with you regarding the timeline for review of our groundwater investigation and closure request for RO02961 (2650 Magnolia Street in Oakland). Mr. Linford has insurance that will lapse by the end of the year. He is very concerned that without a decision from your agency by December, he may not have time to get a claim processed. Please let me know at your earliest convenience if there is more information you require from Stellar Environmental Solutions that will expedite the process.

Thank you-
