Dear Mr. Wickham,

Weiss Associates has been engaged by Harold Mendoza of Nica Metals to prepare a Work Plan for Investigation and Site Cleanup of the referenced Site. I understand from our brief conversation on July 24th and from your email correspondence with Mr. Mendoza on July 9 that the Work Plan is due to Alameda County Department of Environmental Health by July 31, 2008. I write now to respectfully request that a one-week extension so that the work plan may be submitted to ACDEH by August 7, 2008.

Please respond to this email if this date is not acceptable or if you have any other questions related to the Site.

Respectfully,
Scott Bourne
