**End:** Wed 5/7/2008 4:24 PM  
**Duration:** 0 hours

Bob Kemp 925-625-1736 has been retained by Harold Mendoza to do the soil cleanup for site. I indicated that a work plan to Livermore-Pleasanton Fire Department will be required for removal of drums, haz waste, etc. and a work plan to ACEH will be required for soil contamination issues. He will visit the site tomorrow and may call with further questions.
