Received voice mail message from Marty Holzschuh that Mr. Alamilla had moved from his property on Saturday night and wanted to know what he needed to do with his property.

Phone call with Russell Bartlett of AEI Consultants. Mr. Alamilla contracted with him to complete the work plan and he was expecting to receive a contract to complete the additional work.

Phone call with Ken Mifsud of DA office to inform him that we had received a work plan for excavation and that I would be sending out a conditional approval letter to implement the work. He will call Mr. Holzschuh.

I returned call to Mr. Holzschuh and left message re status of work plan and approval.
